

# FABRICATION AND INSTALLATION

TACOMA PUBLIC UTILITIES  
COWLITZ SALMON AND BLUE CREEK TROUT  
HATCHERY  
LEWIS COUNTY, WA

## DESCRIPTION

Fabrication and installation of various valves, piping and structures at the Cowlitz Salmon and Blue Creek Trout Hatchery.

## SERVICES PROVIDED

NAES Power Contractors provided the supervision and craft labor, equipment and materials necessary for the rehabilitation project at the hatchery intake facility. All work was done under the maintenance agreement with Tacoma Public Utilities (TPU).

- Install 36" and 24" check valves, various 24", 30" and 36" butterfly valves, and all related piping
- Fabricate and install aluminum flume structures for volitional release of fry from five acre ponds
- Fabricate and install tower posts on cabling structure to birdnet five acre ponds
- Fabricate and install enclosure structures at all feeding docks on five acre ponds
